

**नोटिस**

**Sub: Allocation of 25% MSQ through Road mode to Non-Power consumers taking coal by Rail mode for the month of Aug'2018**

As per the directives received from MoC, GOI and CIL to offer coal to the consumers locating in the close proximity of mines by Road mode to ease the availability of rakes to long distance Power Houses depending upon Rail mode of transportation and persistently facing critical stock position, the Non-power consumers taking coal by Rail mode are hereby advised to take coal to the tune of 25% of MSQ by Road mode for the month of Aug'2018. Further, considering the improved production and availability of coal stock at Hingula OCP in Talcher Coalfields and Kulda OCP in IB Coalfields, the Non-Power consumers are advised to take 25% of entitled MSQ of Aug'2018 from either of these two sources by Road mode. However if any Rail consumer wants to opt for allocation of total monthly scheduled quantity by Road mode from any of above two sources, the same shall also be acceptable.

Please note that incase of linkage e-auction consumers, change of mode (releasing by road) will be guided by the approved provision communicated by GM(M&S), CIL vide letter no.CIL/M&S/New pol(47252)/Change of mode/273 dated.05.05.2018. The same notice is available in the websites of CIL/MCL.

This issues with approval of competent authority.
