NOTICE

In furtherance to the Notice No. MCL/SBP/GM(M&S)/202-24/666, dtd 17.07.2023, all the consumers who have booked coal from Belpahar OC for G 10 grade (against the contracted grade of G14) under NRS Linkage Auction (for all ongoing Tranches) are hereby informed that due to non-availability of G14 & G10 grade coal at Belpahar OC, the consumers are requested to kindly give their consent to accept G15 grade coal in place of contracted G14 grade coal from Belpahar OC. In case no consent is received, the booked quantities of such consumers for the month of September'23 and onwards shall be shifted to secondary sources as per the relevant clauses of NRS Linkage Auction FSA. This arrangement is temporary in nature, and as soon as the coal is made available for G14 grade after resumption of production for this grade from Belpahar OC, consumers will be intimated and sale orders of the contracted grade will be issued.

In case of contracted grade coal at the Secondary Source(s), the Purchaser shall accept the Contracted Grade of Coal directly from such Secondary Source(s). Additional costs incurred (if any) due to supply of the Contracted Grade of Coal or lower grade coal at the Secondary Source(s) shall be borne by the Purchaser.
