With reference to the aforementioned notices, all consumers having Valid FSA with MCL were informed regarding the revision in grade of coal from various sidings of MCL therefore, all NRS Linkage Auction consumers taking coal from MCL from **Rail Mode** are required to give consent/acceptance for despatch of revised grade coal from source sidings, and accordingly, FC-BG needs to be revised for further allocation as per the terms FSA.

Further, All power and non-power Power Consumers are also requested to deposit the differential coal value of pending rakes. Non Power Consumers who are availing 1 MSQ facility, are required to maintain the coal value of 1 MSQ according to the revised grade. Consumer who have availed the Usance LC facility for payment of coal value are requested to enhance their 7-days coal value and LC value according to the revised grade.
