As long as EMD is available in the registered consumer's account with the Service Providers, the consumer can participate in e-Auction conducted by any coal company of CIL through the particular Service Provider. In other words, it may be a global EMD for participating in e-Auction conducted by a Service Provider. However, such option will not be available in case of company wise BG submitted by the Bidder in place of cash EMD.

The format of BG is enclosed herewith for submission by prospective bidders for participating in Exclusive e-Auction for 2021-22 for Non- Power Consumers (Including CPPs) - Phase II.
