NOTICE

Sub: Shifting of pending Linkage Auction allotments from LOCM I / II siding to Secondary Source

All the customers having Linkage Auction agreement with MCL for supply of coal from LOCM I/II siding as primary source are hereby informed that considering the current average loading from the said siding and accumulated arrear rakes, the competent authority has agreed to allow shifting of rakes from the primary source i.e. LOCM I/II siding to secondary source i.e. BOCM/BOCM group of sidings. The shifting of rakes shall be guided by the following terms and conditions:

- This facility is extended as per the clause no. '5.3 Sources and Mode of Supply' of Fuel Supply Agreement and shall remain optional for the purchasers
- The interested and eligible consumers may apply for shifting of rake allotments once in a month mentioning clearly the number of rakes to be shifted, allotment date, rake sequence no and preferred siding etc.
- The shifting of allotment and subsequent supply of rakes at secondary source shall be guided by the extant Railway rules and subject to acceptance of Railways
- Once the pending allotments are shifted to secondary source, reverting back of shifted rakes shall not be allowed in the primary source.
- Fresh booking for July'21 onwards may also be taken at Secondary source till further notice in this regard

This issues with the competent approval.
