Dt.10.12.2014

### NOTICE

In response to the letter No: MCL/SBP/S&M/NOTICE/2014/1738 dated 01.12.2014 regarding offer of coal for power consumers and IPPs for the month of December 2014 only three consumers have responded to for the above said notice via electronic mail. The status of their applications is as follows:

1. **GMR Kamalanga Energy Ltd.:** cannot be given coal because they fall under the category (b) stated in the above said letter which is as follows:

“Power Plants which have got commissioned after 01.04.2009 and which have FSAs (upto 65% of pro rata ACQ upto March, 2015).”

As their lifted quantity against FSA is more than 65% of their pro-rata ACQ till date, they cannot be offered coal under the said category.

2. **GMR Chhattisgarh Energy Limited (2 x 685 MW):** As they do not have any prevailing arrangement/MoU with MCL, they cannot be offered the coal under the said category.
3. **Jindal India Thermal Power Ltd: late submission:** The last of submission was 07.12.2014 but they have applied on 10.12.2014. Also as they have not achieved their COD till date so they cannot be offered the coal under the said category.

Yours faithfully,

  
General Manager(S&M)
