MAHANADI COALFIELDS LIMITED

(A subsidiary of Coal India Limited)

Sales & Marketing Department,

Jagrati Vihar, Sambalpur -768020

Expression of Interest (EOI) for purchase of Washery Rejects from proposed Washeries of MCL

Last Date of Submission:

1. MAHANADI COALFIELDS LTD - BACK GROUND

Mahanadi Coalfields Limited is a Public Sector Undertaking engaged in mining coal and allied activities. It comprises of two Coalfields namely IB Valley and Talcher Coalfields. The former being a part of Western Coalfields Limited (WCL) and other a part of Central Coalfields Limited (CCL), were carved out from the respective Companies and brought into the fold of South Eastern Coalfields Limited (SECL) in 1986. Eventually, with passage of time and expansion in the capacities, being the only coalfields in Odisha, the Coalfields were taken out from SECL and re-structured into a separate entity, called Mahanadi Coalfields Limited (MCL) with headquarters at Sambalpur (Odisha) was born on 3rd April, 1992. Now MCL is the second highest non-coking coal producing Subsidiary of Coal India, producing more than 100 Million Tonnes since 2009 and the production in financial year 2012-13 is about 108 Mt and dispatch is about 112 Mt.

A brief description of the organization structure and detailed activities of MCL can be viewed in the website : www.mcl.gov.in.

BACKGROUND FOR CALLING EXPRESSION OF INTEREST (EOI)

In order to expedite necessary clearances EC / FC for construction of Washery, Advisor(E&F) mentioned that Coal Companies have to mention the use of washery rejects in EMP that either (a) the washery rejects does not contain any polluting material and thereby the rejects can be dumped or (b) Rejects would be sold through e-auction or MOU route as it has some calorific value.

SO, as the rejects have some calorific value, it has been decided that EoI to be floated for selling of the rejects to use them in Fluidized Bed Combustion Power Plants based on washery rejects and MoU should be entered into with potential buyers for long terms use.

2. OBJECTIVE OF INVITATION FOR EXPRESSION OF INTEREST (EoI)

The objective of this invitation for EoI is to select nationally/internationally experienced and financially capable consumers who have their own thermal based industries/FBC based TPP to purchase the rejects from washeries of MCL for their captive use.

3. BRIEF OUTLINE OF OFFERED WASHERY REJECTS

(a) Basundhara Washery :

Basundhara washery having a capacity of 10.0 Mtpa non-coking raw coal input will be installed on Build-Operate & Maintain (BOM) concept near Kulda Open Cast Project of Basundhara Area of MCL. The Kulda Open Cast (OCP) is situated in the North-Central Part of IB Valley Coalfields in Sundergarh District in the State of Odisha. It is situated between latitudes 22°01'02' N to 22°03'03' N and longitude 83°43'28" E to 83°43'35" East. Kulda OCP is connected by road from nearest township of Sundergarh, lying at a distance of 40 Km Sundergarh-Raigarh road incidentally passes through this block. Nearest Railway Station is Himgir, on South Eastern Railway main line at a distance of about 30 Km along the road. The GCV of the rejects will be about 1000-2000 K.Cal./Kg approx.

(b) Lakhanpur Washery :

Lakhanpur Washery having a capacity of 10.0 Mtpa non-coking raw coal input will be installed on site near Integrated Lakhanpur-Belpahar-Lilari OCP of Lakhanpur Area of MCL. The area is well connected by rail and road. The Mumbai-Howrah main line S.E. Railway passes close to the northern boundary of the block. The nearest Railway station is Belpahar at a distance of about 5 KM. The project falls under the Jharsufguda District of Odisha State. The OCP is situated between the latitude 21°42'12' - 21°47'20' and longitude 83°48'52" to 83°52'41" E. The GCV of the rejects will be about 1500 (in the range of 1000-2000 K.Cal./Kg approx.

(c) Hingula Washery :

Hingula Washery having a capacity of 10.0 Mtpa. On non-coking coal to be built on BOM Concept will be located near the Balram OCP in Hingula Area of Talcher Coalfields of MCL in Angul District of Odisha State. The site of washery will fall between latitudes 22°56'02' - 22°58'28' N and longitudes 85°02'52" to 85°06'57" E. It is connected with NH 23 by an integral colliery road meeting at Talcher at a distance of 22 Km. This NH 23 is connected with NH-42 (Sambalpur-Bhubaneswar) and meeting at Banarpal (NEar Angul) at a distance of about 10 KM. The nearest Railway station is Talcher situated at a distance of about 16 KM. The GCV of the rejects will be about 1500 (in the range of 1000-2000 K.Cal./Kg approx.

(d) Jagannath Washery :

Jagannath washery having a capacity of 10.0 Mtpa to be built on BOM Concept near Bhubaneswar OCP of Jagannath Area of Talcher Coalfields is connected by all weather metalled road to Bhubaneswar. The nearest railway station is Talcher, on East-Coast Railway at a distance of about 6 KM. The nearest port at Bay of Bengal is Paradip and situated at a distance of about 260 KM from the block. The Biju Pattnaik International Airport is located at State Capital Bhubaneswar at a distance of about 165 KM is the nearest airport from the block. The GCV of the rejects will be about 1500 (in the range of 1000-2000 K.Cal./Kg approx.

All available information with regard to location, topography, status of existing workings, assessed rejects may be obtained from the office of General Manager, Washery Department, MCL, Jagruti Vihar, Burla, Sambalpur - 768 020(Odisha).

Characteristic of Washery Rejects

Sl.No.	Name of the Washery and its capacity	Approx Quantity (Mtpa)	GCV Range (K.Cal/Kg)
1	Basundhara - 10.0 Mty	2.97	1000-2000
2	Jagannath(10Mtpa)	1.7	1000-2000
3	Hingula(10Mtpa)	2.37	1000-2000
4	Lakhanpur(10Mtpa)	3.96	1000-2000

4. TERMS AND CONDITIONS

After short listing of the interested bidders based on this EoI, it will be followed by second stage of bidding; an agreement will be signed between MCL and party/parties after completion of all the formalities and finalization of bidding. The guiding principles of the agreement will be as under-

1. Each respondent company/companies may express his interest for purchase of washery rejects and its transportation for one or all the washeries.
2. Transportation of rejects preferably has to be made by rail but transportation from washery premises to siding is to be made by road.
3. Rejects should not be lying stacked at washery site more than two days.
4. MoU should be entered into with MCL and the successful bidder for long term use of the rejects. The MoU is to be signed in advance of the construction of washery as soon as the final selection of bidder is finalised. This is for the purpose of obtaining Environmental clearance from MoEF.
5. All applicable laws/ Acts/Rules relating to Environment has to be complied by the selected bidder.

6. All applicable labour laws, other statutory obligations have to be complied by the selected bidders.
7. The second stage of bidding will be called from short listed bidders for each washery separately.
8. MCL may call a pre NIT meeting amongst short listed parties before second stage of bidding.

5. **QUALIFICATION CRITERIA**

- 5.1 For the purpose of this EoI, a company will mean a company registered/incorporated in India/abroad who have their own thermal power based industries/FBC based TPP.
- 5.2 The intending Respondent should have achieved a consistent yearly performance in the preceding three years; a turn over of at least Rs.25 Million for purchasing and transportation of washery rejects.
- 5.3 The intending Respondents will be required to submit along with the EoI a declaration in a non judicial stamp paper of 100 only to be effect that they are not involved in any litigation with any companies and government of India and also not involved in any CBI or Vigilance cases.
- 5.4 The intending Respondents will be required to submit along with the EoI a declaration that their business has not been banned at any time by any PSU/Government of India.
- 5.5 All Respondents need to submit their application supported by documentary evidence in respect of all sub clauses should be supported by document/certificates specially their financial capabilities (like balance sheet for last three years, turnover certificates & regarding their owning of thermal based industries/FBC based TPP.
- 5.6 Copy of PAN no. & Sales tax Registration number must be accompanied along with EoI.
- 5.7 The bidder must produce evidence of adequacy of working capital and in case of obtaining credit from bank, a certificate from concerned bank is to be produced to that effect indicating the amount of credit to be given.

6. SELECTION METHODOLOGY

The EoI received from the Respondents will be scrutinized for short listing on the basis of fulfillment of minimum qualification criteria spelt out under clause 5.0 in respect of each washery and will be made through second stage bidding amongst the qualified short listed parties.

7. SUBMISSION OF EoI

The intending Respondents are required to submit three copies of expression of interest, (one original & two copies) duly signed by authorised signatory in all pages along with seal separately for each washery rejects, stating mode of transport and approach note along with forms appended below to this notification duly filled in. All the claims made in the form by the prospective bidder must be supported by reliable documents and credentials which may be verified for its genuineness.

All the three copies of EoI in respect of each washery should be placed in loose one cover. All such loose covers (in case EoI submitted for more than one washery) sealed top cover , clearly bearing the name and address of the Principal Respondent and superscripted on the top left corner by **“EoI for Washery Rejects”(Name of Washery & EoI no.)**

The EoI should be submitted to the office of the General Manager, Washery, MCL, Jagriti Vihar, Sambalpur -768020 at 15.00 Hrs (IST) on or before.....

Clarification required by the Respondents may be submitted on or before through e-mail id [cgmsm_mcl@yahoo .co .in](mailto:cgmsm_mcl@yahoo.co.in).

8. MCL reserves the right to accept the application in entirety or reject any or all of them or withdraw the notice at any stage of processing without assigning any reason thereof.

MCL shall not be held responsible for non-receipt of submittals sent by the prospective bidder by post or private couriers, within the stipulated time.

PRESCRIBED FORMAT

FORMAT-I GENERAL INFORMATION

Sl.No.	Information required	To be filled by bidder
1	Name of the Washery in which bidder is interested	
2	Name, Address, Telephone nNumber, Fax number and e-mail id of the Principal Respondent.	
3	Name of Banker	
4.	Details of the ownership of industry/FBC based thermal Plant or any other industry based on thermal of the Principal Respondent.	
5	Special mention, if any.	

FORMAT-II EXPERIENCE OF THE COMPANY

Sl.No.	Details of similar nature of work Experience in last three years.	Location of operation	Total Washery Rejects purchased during the period 2010-11, 2011-12, 2012-13	Details Transport Facility

FORMAT-III INFORMATION ON FINANCIAL STATUS

Sl.No.	Indicators	2012-13	2011-12	2010-11
1.	Turnover, last three years in INR			
2.	PAN number & Sales tax Registration number			
3	Details of Financial adequacy (Bank details)			

**DOCUMENTS FOR THERMAL BASED INDUSTRIES/POWER PLANTS/FLUIDIZED
BED COMBUSTION TECHNOLOGY BASED TPPS**

1. Plan approval of Plant through Chief Inspector of factories or representatives of Director of Industries of the concerned state.
2. No objection certificate of Pollution Department.
3. Relevant industry registration document.
4. Provisional capacity assessment through Government of India.
5. PAN number
6. Current Electricity Bill.
7. Companies' CIN No. issued by Registrar of Companies.
8. VAT registration certificate and CST registration certificate.
9. Registration with Excise Department.
10. Copy of Sales Tax return for the year 2010-11 or last return.
11. Audited Balance Sheet of 2010-11 or last audited Balance Sheet.
12. Turn over for 2010-11.
13. Other relevant documents as per terms and conditions of Expression of Interest document.
