Circular**Sub: Independent External Monitors of CIL and its subsidiary companies- clarification.**

An issue of taking over of responsibility of IEMs for tender/contract, for which tenure of IEM nominated earlier has expired, has been raised.

In this regard, it is clarified that as the tenure of earlier IEMs is over, the new IEMs may be entrusted with the responsibility for the old tenders which have still not been finalized as well as running/finalised contracts from the date of joining of new IEMs/date of such entrustment as the case may be. However, this may be brought to the notice of all concerned by way of publication in Company's web-site/corrigendum to the NITs/contracts. A copy of the NIT/contract order may be forwarded to the new IEMs for their perusal. The requisite fee for nomination will also be paid to the new IEMs. If any complaint/reference has already been forwarded or made to the earlier IEMs, the same may be dealt by them. However, if any earlier IEM refuses to examine such complaints/reference, the same may be referred to the new IEMs under intimation to all concerned.

This has got the approval of Chairman, CIL.
