CPM announces limited seat-sharing with Congress

Cong-CPI seat-sharing talks inconclusive

PNS ■ BHUBANESWAR

The Communist Party of India (CPI-M) would not enter into an alliance with the Congress in Odisha but would have limited seat-sharing with it.

This was stated by CPI(M) general secretary Sitaram Yechury to media here on Tuesday. The CPI(M), in fact, would not have electoral tie-up with any other party and go it alone everywhere in the country, he informed.

He said that in Odisha, the Congress would support the CPI(M)'s candidate in the Bonei Assembly constituency in Sundargarh district while the CPI(M) would back the Congress nominee in the Sudargarh Lok Sabha seat.

Notably, the CPI(M) has its lone MLA from Bonei in the present Assembly.

Meanwhile, the talks between the Congress State unit and the Communist Party of India (CPI) held here on Saturday last on seat-sharing for the forthcoming elections remained inconclusive.

The CPI asked the Congress to spare seven Assembly seats and the Aska Lok Sabha seat as part of seat adjustments.

Sources said the CPI demanded Chhatrapur, Boudh, Brajarajapur, Ersama, Balikuda, Sundargarh, Chitragouda and Junagarh Assembly seats and the Aska Lok Sabha seat.

Later, CPI State secretary Dibakar Nayak said, “It has been tentatively decided that our party would get the Aska LS seat as part of seat-sharing. But the seat-sharing for the Assembly seats has not yet been finalised.”

SOURCES SAID THE CPI DEMANDED CHHATRAPUR, BOUDH, BRAJARAJAPUR, ERSAMA-BALIKUDA, SUNDARGARH, CHITTRAKONDA AND JUNAGARH ASSEMBLY SEATS AND THE ASKA LOK SABHA SEAT

Senior Congress leader Narsingh Mishra said, “We had open discussion with our CPI friends today. Whatever discussed here would be put before the respective competent forums of the two parties. Then, the seat sharing would be finalised.”

But at the same time, Satpathy hastened to add that he had "respect" for party supremo Naveen Patnaik, whom, he said, he would meet in a couple of days to let him know his decision of withdrawing from elections.

One recalls that Satpathy had poured contempt on several occasions for his views publicly aired, at times to the embarrassment of his party. "I had taken this decision some time back. I am happily quitting politics. I have no pressure. The only pressure on me is my son's pressure. He wants me to stay at home and

focus on journalism. Biju Babu had brought me to active politics. I am retiring from electoral politics on the auspicious day of his birth anniversary," Satpathy told the media.

He said that he now wants to focus on journalism. There is dearth of fearless journalism in Odisha as journalists have "social media personalities", he noted, those according to observers, his journalistic writings have very often been tailored into his political agenda.

Interestingly, in another statement in reply to a question, Satpathy replied that his wife Advani Satpathy, who heads his publishing house manage-

ment, would not contest any election as he does not believe in "Parivarwad" (family-oriented politics) on the auspicious day of his birth anniversary," Satpathy forgot that at one point of time, he and his late mother former Chief Minister Nandini Satpathy were simultaneously contesting polls in the legislative assembly of Odisha. He said that Nandini Satpathy even virtually vacated her Dhenkanal Assembly seat in favour of her son and chose to seek election from a contiguous Assembly constituency, Gouda. The mother and son fought polls on different party tickets.

providing up to Rs 5 lakh health cover to all and Rs 7 lakh in case of women. About 70,000 students are now availing scholarships.

"We are continuing with special initiatives for KIB districts. While the Koraput and Balangir Medical Colleges are functional, establishment of another medical college in

Kalahandi is underway," Patnaik said.

Stating that his Government has fulfilled almost all the electoral promises, Patnaik thanked all those involved in the implementation process. "With the blessings of Lord Jagannath, I will keep working to build a new Odisha," he said.
