

## **CCDP- Utthan**

A CSR initiative of Mahanadi Coalfields Limited

Implementation Partner - BAIF

### **FRUITING OF HOPES**

Under CCDP Utthan, a CSR initiative of Mahanadi Coalfields Ltd (MCL), BAIF Development Research Foundation-Odisha is implementing its wadi programme (Agro-horti-forestry model) in four different clusters i.e. Sundargarh , Angul, Jharsuguda and Sambalpur with total 244 participants. Out of that 111 participants having total land of 55.5 acres are in fruiting stage and estimating the production to be 151.45 quintals this year.

The programme will certainly increase the level of income of farmers, also it will raise their standard of living and will motivate and inspire other farmers too.

Ultimately, the "fruiting of hopes" signifies a positive and fulfilling outcome, symbolizing the satisfaction and joy that come from seeing one's dreams become a reality.
